Summit 2023 Workshop tracks

(Please note that some workshop titles are working titles and may change. Full workshop descriptions will be available in August.)

Track 1: Engaging Systems to Build Capacity

- **Power Up Your Program with TA**, facilitated by Elton Dixon and Mary Ellen Gomes, MENTOR Georgia technical assistance consultants
- **5 Ways to Diversify Your Funding** – facilitated by Samuel Bellamy, Coastal Community Foundation of South Carolina

Track 2: Engaging Youth to Grow Impact

- **Moving From Mental Health to Mental Wellness** – facilitated by Dr. Sam McQuillen, University of South Carolina
- **Youth Engagement in a Changed and Changing World** – facilitated by Elise Brockenberry, Rylee Dickinson, and Kalani Franklin, students at Georgia State University and UGA, respectively
- **Driving Positive Outcomes through Motivational Interviewing** – facilitated by Dr. Sam McQuillen, University of South Carolina

Track 3: Engaging Stakeholders to Extend Reach

- **Forging and Managing Strategic Partnerships: A panel discussion featuring programs, school districts, businesses, and funders** – Moderated by Desiree Robertson, MENTOR National
- **Using Data to Support Child Welfare** – Facilitated by David Meyers, J.W. Fanning Institute at UGA
- **Family & Caregiver Engagement: A panel discussion featuring programmatic practices and perspectives** – moderated by Gabe Kuperminc, Georgia State University and the National Mentoring Research Board
